Appendix

Conditions with regards to our packages.

¹ Packages apply per calendar year and can be intermediately amended, if requested one month in advance.

² The summer period runs from 1 June up to 15 September. The childcare free weeks in the summer period should be taken out consecutively. Indicating your childcare free weeks during the summer period should occur before 1 March of the relevant calendar year at the latest. Indicating your childcare free week during the Christmas holidays should occur by next 1 September at the latest. To this effect you will use the following email address: arrangementen@kdvmirakel.nl.

³ Requesting exchange days is unlimited under the following conditions:

- Exchange days can be promised one month in advance by the pedagogical staff. In practice it appears that we can only look forward two weeks in advance. Parents will have to request it again every month.
- Exchange is only possible if the occupation on the group permits it
- Exchange days cannot be redeemed with a public holiday
- Exchange days must be included within the same calendar year
- Parents with an arrangement of 46 or 48 weeks can only use exchange days in the reception weeks belonging to their contract

For the first amendment of your package, no administration costs will be charged. For every subsequent amendment of your package we always charge a € 25.00 administration fee.
